

Size Chart User Guide

1. Extension Installation

- Extract the zip folder and upload our extension to the app/code/RaviTechnology/Sizechart folder inside the root of your Magento 2 directory via FTP.
- Login to your SSH and run below commands step by step:
 - php bin/magento setup:upgrade
 - php bin/magento setup:static-content:deploy -f
 - php bin/magento cache:flush
- That's it.

2. Shipping Per Product Configuration

To configure the extension, login to Magento backend, move to **Size Chart** → **Configuration**, where you can find various configure.

- **Size Chart:** Enable the Mobile Login extension.
- **Text:** Enter the size chart button text.
- **Text Color:** Set the color for the text of the size chart button.
- **Background Color:** Set the background color of the size chart button.
- **Border Color:** Set the border color of the size chart button
